

FREE RETREAT WEEKEND

for Women with an incarcerated loved one

A **FREE** retreat is being offered by **KAIROS OUTSIDE** for women who know the pain of having someone they love incarcerated. The Kairos weekend offers acceptance, support, encouragement, and love. The weekend includes talks of women who will share what Christ has done in their lives. It is an all inclusive, non-denominational weekend. Two English and one Spanish Speaking weekend are given per year and transportation can be provided if needed.
